

COUNTY OF YORK

MEMORANDUM

DATE: July 1, 2005 (BOS Mtg. 07/19/05)

TO: York County Board of Supervisors

FROM: James O. McReynolds, County Administrator

SUBJECT: Approval of Procurement Action

The attached resolution provides for the approval of County purchases by the Board of Supervisors in accordance with its policy for procurements of over \$30,000. The Board's approval is requested for procurement of the following:

Marlbank Farm Sanitary Sewer Project - An Invitation for Bid was issued and advertised for the above referenced project. The work consists of the construction of the Marlbank Farm Vacuum Station and the Wormley Creek Drive Pump Station (with a portable generator) including vacuum collection and wastewater pumping equipment. Three (3) bidders responded, with M & W Construction Corporation being the lowest responsive and responsible bidder in the amount of \$1,617,703. Sufficient funds are available in the Capital Improvement Plan (CIP) to complete this project.

Battle Road Gravity Sewer Replacement Project – An Invitation for Bid was issued and advertised for the above referenced project. The work under this project consists of excavating and replacing 250 linear feet of gravity sanitary sewer requiring the restoration of Virginia Department of Transportation roadway and pavement along a section of State Route 718, Battle Road (entrance into the Marlbank Cove Subdivision). Four (4) contractors submitted bids. The lowest responsive and responsible bidder is R. H. Sutton Construction LLC in the amount of \$95,699. Sufficient funds are available in the Capital Improvement Plan (CIP) to complete this project.

These procurements have been conducted in accordance with State procurement laws and/or County procurement policy and I recommend they be approved through the adoption of Proposed Resolution R05-123.
